

Name: Ellen Kim
ID: 867199410
Print Date: Jul 7, 2026
Declare Date: Nov 14, 2022

Academic Level: Undergraduate
Programs of Study: Computer Science (BS)
Interactive Media and Game Development -
Technology (BS)
Degree Awarded: Bachelor's Degree
Degree Date: May 15, 2026
Honors: With High Distinction

Building Positive Culture Change in Merton

Merton is a diverse London borough whose municipal government is undergoing an organizational cultural change initiative. As a step in this process, we must create a snapshot of Merton Council’s current culture and provide a procedure for evaluating future culture change. To do so, we utilized surveys and focus groups targeting office staff and frontline workers. Through qualitative analysis and data visualization, we found that Merton Council is a welcoming and collaborative workplace with opportunities to improve inter-team communication and management accountability.

CDR HUA - Completion of Degree Requirement HUA	2024 Fall Semester	Grade: A
--	--------------------	----------

Japanese Language

Students completed Humanities and Arts requirements by passing a six-course Japanese language/culture sequence. JP100X, JP 110 X, JP120X, JP200X, JP210X, JP220X. The final capstone project was JP220X Intermediate Japanese III

CDR MQP - Completion of Degree Requirement MQP	2026 Spring Semester	Grade: A
--	----------------------	----------

Billionaires are Bad: Exposing Inequality Through Gameplay

9 to 5 is a money-making management and investigation game set in the modern-day United States. This game is meant to showcase the injustice hidden behind the monotonous routine of the working class’s daily lives, shedding light on the structural flaws in and around the economical, political, and occupational systems of the country through narrative storytelling, satire, and interactive gameplay. The player takes on the role of Mark Jones, a newly hired manager for VCorp’s Radar Guidance Department. Through money-making, the player adheres to productivity goals by abusing employees, micromanaging their behavior during the workday, and sending them on unpaid overtime. Investigation highlights exploration of the office and interaction with the employees past simple workplace discussion.

WORCESTER POLYTECHNIC INSTITUTE

Worcester, Massachusetts

ACCREDITATION

WPI is fully accredited by the New England Commission of Higher Education (formerly the New England Association of Schools and Colleges). Accreditation indicates that the institution has been carefully evaluated and found to meet standards agreed upon by qualified educators. Many individual programs are accredited by discipline specific agencies. Please see <http://www.wpi.edu/about/accreditation> for the most up to date information.

RELEASE OF INFORMATION

The Family Education Rights and Privacy Act of 1974 prohibits the release of this record to any other person or agency without the express written consent of the student named on the transcript.

CALENDAR AND ACADEMIC LOAD

Undergraduate calendar

Consists of four accelerated terms in two semesters plus an optional summer term.

Fall A term: 7 weeks Spring C term: 7 weeks

Fall B term: 7 weeks Spring D term: 7 weeks

Summer (E) terms: 5, 7, 10, or 14 week sessions

Normal undergraduate academic load consists is one unit (9 credits) per term.

Graduate calendar

The majority of graduate level courses run on a traditional 14-week semester, but may vary depending on program.

DEGREE REQUIREMENTS-UNDERGRADUATE PROGRAM

1986 and thereafter – 15 units (135 credits)

Including the completion of three projects.

Major Qualifying Project (MQP)

Interactive Qualifying Project (IQP)

Sufficiency/Humanities & Arts Requirement

(an 80-word abstract of each project is located on the transcript)

Descriptions of these three projects may be found in the University catalog.

GRADES AND CREDIT

Non-degree seeking students, graduate students, and undergraduate students (prior to 1971) follow the traditional scale.

A	4.0	
B	3.0	
C	2.0	
D	1.0	Unacceptable for graduate credit
F	0.0	
P	—	Pass; Minimum grade of C obtained
X	0.0	Fail for pass/fail courses

With the implementation of the WPI Plan in 1970, undergraduate student performance was evaluated on the basis of Distinction and Acceptable.

1971-1986	AD/DIST	Distinguished Work	Equivalent
	AC	Acceptable Work	A B/C
1986-Present			
	A	Distinguished Work	
	B	Acceptable Work	
	C	Acceptable Work	
	P	Pass; Minimum grade of C obtained	
	Unacceptable work in regular courses is not recorded		

Other grades appearing on transcript

AU	Audit
SP	Interim grade indicating satisfactory progress during the respective term
UP	Unsatisfactory progress
DEF	The work is continuing and a grade will be assigned upon completion
I	Incomplete
NAC	The student did not perform satisfactorily on the project or independent study
CR	Transfer Credit
L	Advanced Placement or course waived, no substitution required
AT	Attended
S	Satisfactory
? or Q	Grade not on file
W	Withdrawn; Not factored in GPA
/R	Repeated Course
NC	No credit awarded; Not factored in GPA

Undergraduate semester credit hour equivalents may be determined according to the following conversion table:

1 unit	=	9 credit hours
1/2 unit	=	4.5 credit hours
1/3 unit	=	3 credit hours
1/6 unit	=	1.5 credit hours
1/9 unit	=	1 credit hour
1/12 unit	=	.75 credit hour

CUMULATIVE GRADE POINT AVERAGE

Undergraduate Students

WPI does not maintain a cumulative grade point average for undergraduate students. A student requiring a cumulative grade point average for external use may apply to the Registrar and receive a numerical equivalent based on a point assignment of A=4.0, B=3.0, C=2.0, while DIST and AC grades will be 4.0 and 2.75 respectively.

Graduate Students

Grades are assigned the following grade points: A = 4.0, B = 3.0, C = 2.0, D = 1.0 and F = 0.0. The grade point average is calculated as the sum of the products of the grade points and credit hours for each registered activity in the average, divided by the total number of credit hours for all registered activities in the average. If a student takes the same course more than once, the course enters the GPA only once, the most recent grade received for the course being used in the average.

COURSE NUMBERING SYSTEM

1000-4999	Undergraduate Level
500-999	Graduate Level
5000-9999	Graduate Level

CROSS-REGISTRATION COURSES

Course subjects beginning with "CO"

AC	=	Assumption College
AMC	=	Anna Maria College
BC	=	Becker College
CSV	=	Cummings School of Veterinary Medicine
CU	=	Clark University
HC	=	College of the Holy Cross
MCP	=	Mass. College of Pharmacy and Health Sciences
QCC	=	Quinsigamond Community College
UMM	=	University of Massachusetts Medical School
WSU	=	Worcester State University

TRANSFER CREDIT

Students may apply to transfer credit for courses taken at other institutions. Transfer credit allowed is determined upon admission to WPI. A student taking courses at other schools subsequent to enrolling at WPI must have advance approval from the respective department and a review of performance to receive transfer credit.
